**ORDER GRANTING DEFENDANTS' MOTION
TO FILE AND MAINTAIN INFORMATION UNDER SEAL**

For the reasons set forth in Defendants' Motion to File and Maintain Information Under Seal, the Court FINDS that Section I of Defendants' Statement Regarding Appointment of Mediation Facilitator should be maintained under seal because there is no public interest in Defendants' positions with respect to Mediation Facilitator candidates and a clear risk of prejudice to Defendants of disclosing those positions publicly.

It is hereby ORDERED that the foregoing documents shall be maintained under seal, in part, as indicated herein.

IT IS SO ORDERED.

Date: February 21, 2017
